<"p class="section-subtitle>
A language professional focused on quality, clarity, and natural communication for
,translation, localization
.and AI-driven language work
<p/>

<"div class="about-wrap>
<"div class="about-box card>
<p>
I help clients adapt content for real users, not just translate words. My work combines
,language accuracy
cultural awareness, and attention to detail across translation, localization, MTPE,
.transcription, and quality review
<p/>
<p>
I have experience working with structured guidelines, large content volumes, and
.detail-focused review tasks
This helps me support projects that need consistency, natural wording, and reliable
.linguistic judgment
<p/>

<p>
My background includes digital content, technical material, app and website
,localization, gaming content
and AI language evaluation. I aim to deliver text that feels clear, usable, and
.appropriate for the target audience
<p/>

<"ul class="about-points>
<li>Strong focus on natural Arabic and culturally suitable wording</li>
<li>Comfortable with multilingual workflows and terminology consistency</li>
<li>Reliable support for both human translation and AI language quality tasks</li>
